

# Do you recognise any of these pre-preservation SVR staff names?

The people listed here all worked on the Severn Valley Railway route in Great Western Railway days. They're in the Railway Work, Life & Death project's database - at the dates indicated following their names.

We don't know much about them, & would love to know more: can you help?

If you know anything about them, please get in touch with us:  
[railwayworkeraccidents@gmail.com](mailto:railwayworkeraccidents@gmail.com)
